Pendleton Or.

Dear Recipient:

I would like to state that EcoClean360, 360 Service Solutions is a great cleaning service. This company has been cleaning our store for quite some time with 100% satisfaction from my self and our main office. James stops by my location once a month to make sure everything is getting done and that we are satisfied with the service. The customer service goes above and beyond in my book

Sincerely,

Scott McAllister

Branch Manager
